Pack Belongings and Head Out	<input type="text"/>	<input type="text"/>

Congratulations on a wonderful wedding and reception Mr. & Mrs. !!! :)

* Choosing NOT to see each other prior to the wedding has a huge impact on your timeline. With a First Look you are able to do most of your pictures before the ceremony, which shortens the time your guests have to wait between ceremony ending and reception beginning. It's your day and up to you!

Be sure to allot time for Sunset pictures - they are amazing here! :)
